# NCPGA Junior Golf Tour PRO-Power Rankings

## PRO-Power Rankings

The NCPGA Junior Golf Tour PRO-Power Rankings is an overall formal ranking structure to give the eTOUR players the ability to be ranked against one another. Only Boys 14-18 & Girls 12-18 will utilize this Rank structure and it will be based on overall finishing performance within the above divisions.

At the 2010 Player's Banquet, there will be an eTOUR Boy and Girl announced as the NCPGA Junior Golf Tour PRO-Power Ranking Player of the Year. In addition to receiving this honor, both of these players will travel to the historic Olympic Club for lunch and round of golf with 2008 NCPGA Professional of the Year, John Abendroth and Head Golf Professional, Chris Stein.

These rankings will be sent to all NCPGA affiliates and posted on [www.NCPGA.com](http://www.NCPGA.com).
